

BPU ELECTRIC, WATER AND SEWAGE BILL ASSISTANCE
ADMINISTERED BY COMMUNITY ACTION AGENCY

Eligibility Requirements

Household should be at or below 200% of the FPL (there could be situations where we could exceed this on a case by case basis). A household may only be served one time per year (rolling-but there could again be situations on a case by case basis where we could override this).

A household may be asked to provide a DHHS SER approval/denial letter, however requirement can be waived based on individual situations.

Allowable Services

Must be a BPU customer for electric, water and sewage usage

Demonstration of Need

Client must provide a current bill or deposit request.

Limit

A household may only be served one time per year (rolling). We currently do not have a cap on the one time assist but this may change based on availability of funds.

Administrative and Fiduciary Responsibilities

BPU will remit check to CAA in middle of month following the collection period. CAA staff will process check requests for BPU clients and submit regular payments to BPU. CAA will provide monthly report of expenditures.
