Eligible Senior Citizen Customer Registration

I do hereby attest that I am 65 years of age or older and a current customer of the Hillsdale Board of Public Utilities.

I am registering as an Eligible Senior Citizen Customer so that the Hillsdale Board of Public Utilities will not shut off my utility service from November 1st through March 31st of each year if I fail to pay my utility bill during that period.

I understand that if I fail to pay my utility bill during those winter months, I will be charged late fees each month until the balance is paid in full. I further understand that if I have a past due outstanding balance owned on my account on March 21, the Hillsdale BPU may issue a shut off notice providing that within ten (10) days either the outstanding balance must be paid in full or I must enter into a payment plan, if I qualify for such a plan, or the utility service will be shut off.
