## I-1, INDUSTRIAL DISTRICT

Footnotes: (7) Editor's note— Ord. No. 2018-007, adopted November 5, 2018, amended division 9 in its entirety to read as herein set out. Former division 9, §§ 36-311—36-315, pertained to the I-1 light industrial district, and derived from the Code of 1979, §§ 17.20.010—17.20.050.

Sec. 36-311. - Generally.

The I-1 industrial district is designed so as to primarily accommodate wholesale and warehouse activities, and industrial operations whose external physical effects are restricted to the area of the district and in no manner affect in a detrimental way any of the surrounding districts. The I-1 district is so structured as to permit, along with any specified uses, the manufacturing, compounding, processing, packaging, assembly and/or treatment of raw, finished or semi-finished products from previously prepared material.

(Ord. No. 2018-007, 11-5-2018)

Sec. 36-312. - Principal uses permitted.

In an I-1 industrial district, no land or building shall be used and no building shall be erected except for one or more of the following uses as described in section 36-311, unless otherwise provided in this chapter:

- (1) All uses shall be conducted wholly within a completely enclosed building, or within a designated area enclosed on all sides except the front with a six-foot obscuring fence or solid wall. The fence or wall shall be completely obscuring on those sides where abutting or adjacent to districts zoned for residential use.
- (2) All public utilities, including buildings, necessary structures, storage yards and other related uses.

(Ord. No. 2018-007, 11-5-2018)

Sec. 36-313. - Uses subject to special conditions.

The following uses shall be permitted in an I-1 industrial

district, after review and approval of the site plan by the planning commission or zoning administrator, whichever is indicated, subject to the conditions imposed in this section for each use:

- (1) Restaurants, other places serving food or beverage, or other businesses which in the opinion of the planning commission are intended to serve the convenience needs of persons working in the industrial district subject to the regulations applicable to such uses.
- (2) Child care facility, as defined in section 36-6, for the care of one or more minor children in other than a private home. A designated outdoor play area shall be required which complies with state licensing rules. The outdoor play area must be located in the rear yard, as defined in section 36-6, and be enclosed by a fence at least four feet in height.
- (3) An educational facility which is a trade or vocational.
- (4) The use of a lot for the sale or lease of new or used automobiles, trailers, boats, farm machinery or equipment, recreational vehicles, lawn furniture, playground equipment or garden supplies, which meets all of the following conditions:
  - a. Each point of vehicular ingress and egress to the lot shall be not less than 60 feet from the intersection of any two streets.

- b. Any repair or refinishing which is done on the lot shall be done within the confines of an enclosed structure.
- (5) A motor vehicle repair station.
- (6) A walk-in clinic for district related medical testing and the treatment of minor injuries shall be permitted in the I-1 industrial district. Each point of ingress or egress shall be directly onto a principal or minor street.
- (7) A structure which is used by a governmental entity.

(Ord. No. 2018-007, 11-5-2018)

Sec. 36-314. - Required conditions.

Any use established in the I-1 district after the effective date of the ordinance codified in this chapter shall be operated so as to comply with the performance standards set forth in article VII of this chapter.

(Ord. No. 2018-007, 11-5-2018)

Sec. 36-315. - Area and bulk requirements.

See division 16 of this article limiting the height and bulk of buildings and the minimum size of lot by permitted land use in the I-1 industrial district.

(Ord. No. 2018-007, 11-5-2018)

Secs. 36-316—36-330. - Reserved.
